TUITION AND FEE POLICY 2009-2010

Imlay City Christian School is a private institution, not funded by the state or attached to any church from which it receives annual support. Tuition is the main source of budgeted monies. The School Board has established the Tuition and Fee Policy in order to provide each student with an exceptional education as well as to fund the efficient operation of Imlay City Christian School.

1. Each family is required to pay a **\$100** non-refundable registration fee **per student** that will be deducted from the student's tuition balance. This covers the student processing and book fees.
2. A \$320 Building Fund fee is assessed per family (K-8 only). This is a non-refundable, tax-deductible fee assessed over and above tuition fees.
3. Parents who withdraw children during any marking period will pay tuition for the full marking period.
4. All new students are required to take the Woodcock-Johnson test, administered by a qualified teacher, prior to admission. There is a \$50 test fee payable prior to testing.
5. Each family is required to participate in 3 fundraisers or "buy out" of the required fundraisers at \$150 per fundraiser (total = \$450). Fundraisers are an essential part of keeping tuition costs down.
